SOUL IS OUR STYLE

AURIC ROAD

PETITE RESORTS

We believe there are places on earth meant to draw you out and sweep you off your feet. Auric Road is a collection of petite resorts in these magical places.

We acquire historic properties and reimagine them with culturally relevant design, locally sourced food, thoughtful amenities, and adventure that is always included. We redefine authentic hospitality by creating a personalized experience, just for you. Our Mission is to put the adventure back into your journey and the soul back into your stay.

“FOR THOSE IN SEARCH OF A TRULY UNIQUE EXPERIENCE, KORAKIA PENSIONE IS ONE OF A KIND” — *Vogue*

Korakia Pensione has hosted visiting artists and musicians since it was a Moroccan hideaway, Dar Maroc, owned in the 1920s by painter Gordon Coutts to recreate his life in Tangier, next door to a Mediterranean villa owned by 1930s silent screen star J. Carol Naish. Now a 1.5-acre petite resort in the heart of Palm Springs, Korakia is a hidden oasis of secret gardens, pools, lounges and fountains among 28 stunning Mediterranean and Moroccan bungalows, guesthouses and villas. Cross the grand threshold of our iconic Moorish archway and hand-carved double doors to rooms holding antiques and handmade furnishings. You'll find a sanctuary for a crowd of actors, writers, producers and photographers—much as it was for similar gatherings of creatives in the early 20th century.

RITUALS

Begin your day with a relaxing breakfast in our Moroccan courtyard surrounded by citrus blossoms, olive trees and date palms, near our burbling fountains. Greet the vast desert sky with morning yoga, relax with a book under the beams of our historic library, or reserve a poolside or in-room massage. The day is at your disposal. Stroll around the villas in the evening after the ritual lighting of our Moroccan lanterns and you may wonder just where you are.

THE SEXIEST
HOTELS
IN AMERICA”

STAY AWHILE

Renew your soul in our individually designed rooms that, like you, have a name—not a number. One-of-a-kind vintage pieces, custom furniture and thoughtful touches let you know we care about your stay. Our historic villas feel like a place from another time (we keep technology out of sight to honor our setting), but we haven't held back on great Wi-fi. You can also choose from our library of vintage vinyl albums to play on the turntable in your room.

Choose from 16 Mediterranean and 12 Moroccan rooms, each distinctive in character, with features like high wood beam ceilings, private patios with striking views of the San Jacinto Mountains, or even a suite with a full kitchen, stone bathtub and wood burning fireplace at the center of J. Carol Naish's own 1930's villa.

Each night, we light more than 100 candles around our courtyards. Our guests love this ritual, and often plan their evening around watching us put them out.

We float fresh flowers daily in our six fountains, a sweet touch that makes our courtyards even more colorful and fragrant.

Historians believe that Winston Churchill, an avid watercolorist, spent time in the 1920s Moroccan-themed home that has become part of Korakia. You can even book a stay in our artist's studio, where he would have painted.
